

ATTACK ON REFERENDUM

CHATTANOOGA, TENN.—Special. A bitter and thinly veiled attack on the initiative, referendum and recall and a scathing denunciation of the supporters of these measures, whom he called "temporary politicians," was made here by Daniel A. Henderson, of South Carolina, in an annual address before the United Confederate Veterans' Reunion on Tuesday.

"The moment has come," said the speaker, "for not only the survivors and descendants of the Confederacy, but those of the Union as well, to get together and save the nation from the ruin and horrors of the temporary politicians of the day, who, in the name of the people, and for their personal advancement, are seeking to emasculate and destroy the very law and spirit of our written constitution, headed down to us by the combined wisdom of Alexander Hamilton, Benjamin Franklin, James Wilson, Gouverneur Morris, James Madison and Charles Pinckney, and to substitute in its stead a mere mob of passions and passions."

Continuing at considerable length, the speaker made an appeal to the men of all sections of the Union to "stand for the basic principles of the Federal Constitution and resist such changes in the form of our government as a great many people are clamoring for."

Mr. Henderson devoted sometime to a discussion of the negro problem and declared that the lynching of the negro in the South for any crime whatsoever was inhuman. "It is the duty of the South," said he, "to see that the negro has his fair share of public education, according to his condition and qualifications, while we endeavor to give him no more than we can give."

Mr. Henderson concluded his speech with a resounding tribute to Washington, Lincoln, Robert E. Lee and Jefferson Davis, characterizing them as the greatest men of the period between the Revolutionary and Civil Wars.

REPORT OF CHANGE IS UNFOUNDED

RICHMOND, VA.—Special. Reports from Roanoke today indicate that Mr. George P. Johnson, son of President L. E. Johnson, of the Norfolk and Western, has been offered the position of general manager of the Chesapeake and Ohio system.

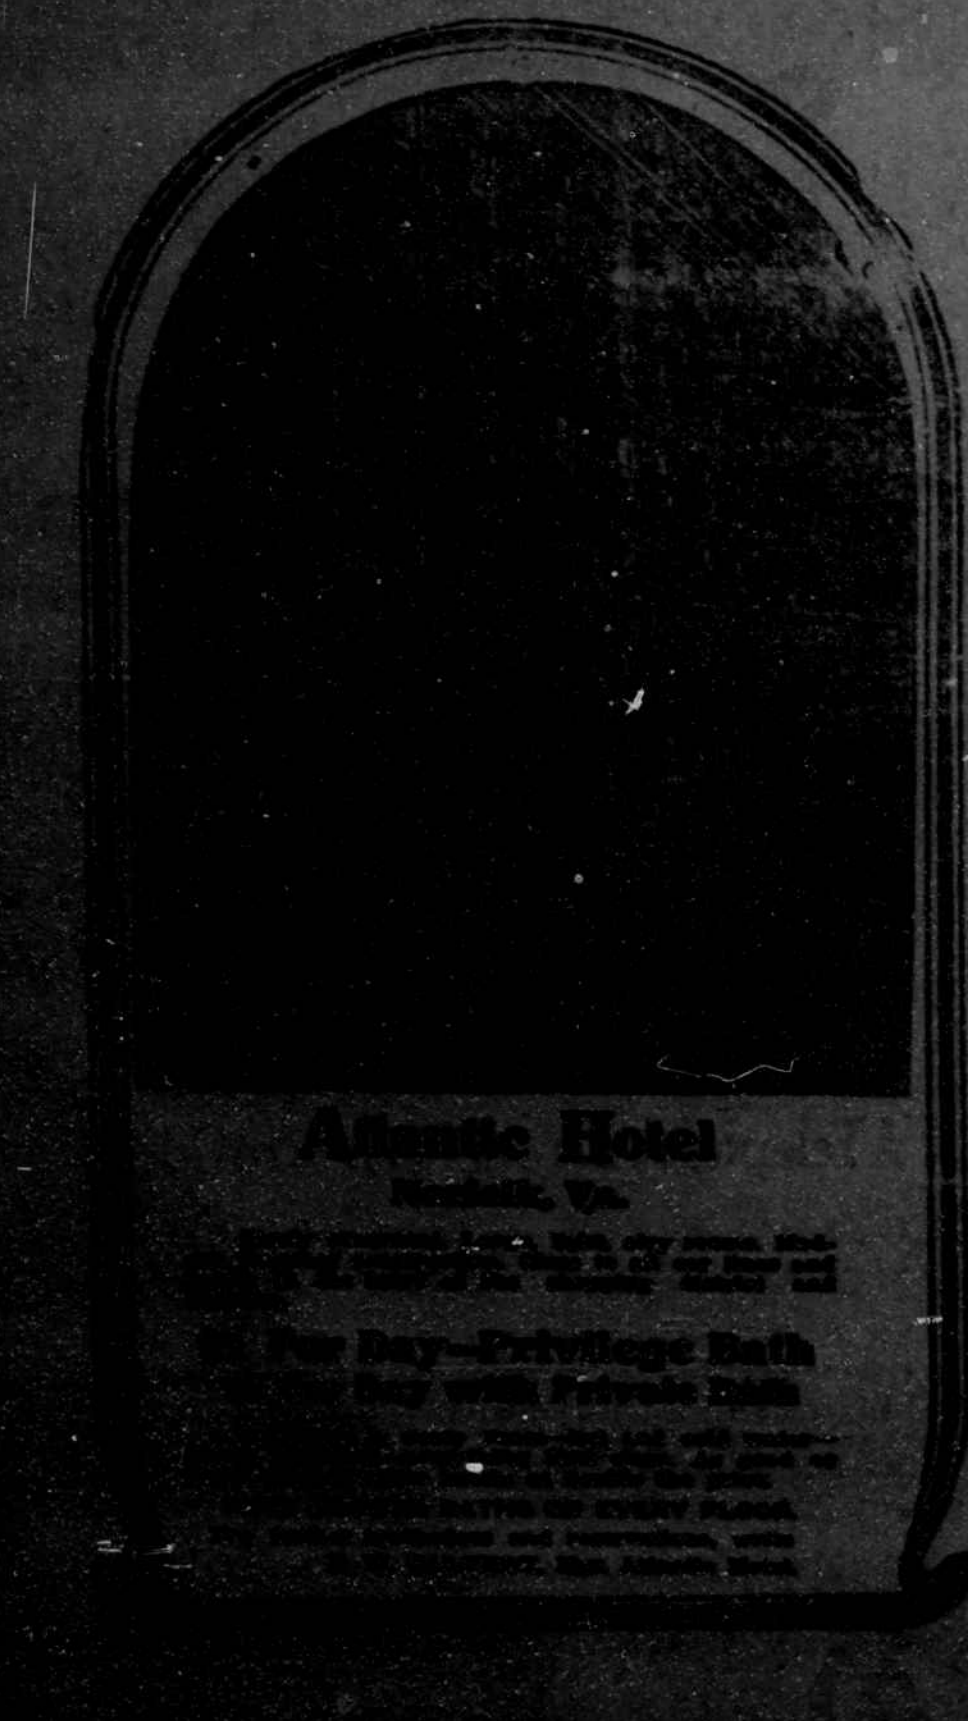

Inquiry at the general offices of the Chesapeake and Ohio today elicited the information that Mr. J. M. Capies, who has charge of such matters, is out of the city, and in his absence no one was authorized to make any statement, but it was said by one of the leading officials of the company that so far as known there is nothing in the story of the appointment.

If Mr. Johnson should be given the position it would mean that he would succeed the late general manager, Mr. Grice, who died some time ago. Mr. Johnson is at this time the receiver for a railroad entering Norfolk.

FACING DEATH FROM MERCURY POISONING

NEW YORK.—Special. Three cases of poisoning by the accidental swallowing of bichloride of mercury tablets, with circumstances similar to the fatal case of B. Sanders Walker, of Macon, Ga., engage the attention of the New York medical profession today.

The victims: Mrs. Rae Chessman, wife of a Bronx druggist, who is in Fordham Hospital calmly awaiting the four or five days which must elapse before her fate is known; Mrs. Lawrence Simmons, of Rockaway Beach, L. I., a bride of three months who took a tablet by mistake for a headache pill last night; Miss Emma Mammi, of the Bronx, who took the same poison in liquid form. It will be several days before it will be known whether she will live or not.
